

# Attention Military Veteran College Students!

*Do you have trouble with your memory or attention?  
Or are you just curious about your memory abilities?*

**This is your chance to find out more about your  
memory and attention!**

We are currently inviting military veteran college students to participate in a research study on **memory, attention, and test taking.**

Study participation includes an online survey (completed at home) and in-person memory and attention testing, which takes about 1.5 to 2 hours. If you participate, you will receive a **summary report on your memory performance and two free movie vouchers.**

To enroll or learn more about this study, please contact **Karen Gallagher** at [Karen.Gallagher@asu.edu](mailto:Karen.Gallagher@asu.edu) or (480) 965- 0752.

**Karen Gallagher,** M.S., CCC-SLP is a Desert Storm veteran, a 2016 Tillman Scholar, and ASU clinical faculty member.
